To promote the welfare of the Grandview Heights School System and to encourage fellowship among the Grandview Heights Alumni.

Letter from the President

We have just completed a successful year of furnishing several deserving scholarships, generating informative newsletters and contributing to many needed projects at various Grandview School levels.

As you may recall, each year we select a few deserving alumni to be included into the Distinguished Alumni Category. We encourage you to submit names of outstanding alumni for consideration by our Awards Committee to be selected and included with our current Distinguished Alumni Awards Group.

We are happy to include the recent group of graduating Grandview Heights High School seniors of 2008 that joined our Alumni Organization. We have the finest community and schools locally and nationwide.

Let us continue to support them and keep on sending your comments to be shared with our 4,000 plus active members. Keep up the good work and help.

**James F. Riley, President
(Gunner)**

GHHS Auditorium Upgrade

The Grandview Heights Board of Education gave its approval for improvements to the High School Auditorium. The project is designed to address the most common complaints about the auditorium, including inadequate acoustics, uncomfortable seats, a lack of technology available for educational purposes, and the lack of a seating area for disabled people.

The Alumni Association has agreed to provide up to \$35,000 in matching funds for phase i. The goal is to move forward and raise the funds for phase 1 by the first of the year and to have the work completed in time for the high school musical in the spring.

The GHHS PTO, GH, Marble Cliff Education Foundation, the Bobcat Boosters, the other PTOs in the district, the Vocal Music Boosters, Band Parents Association, and the Arlington Bank will support the project.

Contributions should be made out to: GHHS Auditorium Project. Mail contributions to:

Art works by the famous and the aspiring coming through the Grandview Hop

Cities across Central Ohio are discovering new treasures.

The Short North is no longer the only place to discover art works by the famous and the aspiring. Grandview Heights hopes to bring that same energy to its main business corridor through the Grandview Hop.

Fifty-three businesses dot Grandview Avenue between 1st and 5th Avenues. Restaurants, art galleries, hair salons, florists, even a shop that makes handmade pet treats have become Art Hop business partners.

Much like the Short North, Grandview Avenue is known for its mix of restaurants, boutiques and other businesses.

The Grandview Hop runs on the last Saturday in the month from April to November.

The Grandview Hop is in its second year and hopes to expand hours in the spring.

Call for Nominations: 2009 Distinguished Alumnus Award(s)

The GHHS Alumni Association Board created the distinguished alumnus awards three years ago. The awardees for 2006, 2007, and 2008 are shown on page 2.

The purpose of the awards is to recognize and honor those graduates, living or deceased, of the Grandview Heights High School who have achieved extraordinary success in their chosen careers. The persons recognized should serve as good role models for current students to see the wide opportunities that their Grandview education provides for them to do whatever they choose to do in their lives.

The careers of the award winners could be in the professions, with a company, the government or military, the arts, or in volunteer activities.

The Board is again calling for nominations. If you know of a graduate, in your class or others, that you feel should be recognized, please fill out the form on this page and send it to GHSAA, PO Box 12116, Columbus OH 43212, by March 31, 2009.

Nominations will be held in confidence. Selection of the award(s)—there can be more than one per year—is made by a committee of at least 12 graduates appointed by the Board. There are at least two members from each graduating era (pre 50's, 60's, 70's, 80's, and 90's and later).

Voting is by secret ballot. Winners must receive at least 2/3rds of the votes and then be ratified by the Board.

The winners are honored with a "composite" of their names and accomplishments displayed in the high school.

This is a great opportunity to show people in Grandview the value of the superior education that they receive.

There are many deserving graduates and we look forward to again receiving your information. Self-nominations are also acceptable.

Annually the GHHSAA Board of Directors approves the selections of an Awards Committee who vote on Distinguished Alumnus Awards.

Grandview Heights High School Alumni Association Web Site Communications

For all who are interested in maintaining the friendships established during their school years, as well as supporting and enhancing the Grandview experience that played a vital part in our lives, we offer this internet connection.

Along with this web site, another tool for maintaining our Grandview relations is the GHHSAA Newsletter. Three times a year it is mailed to over 4,000 recipients.

Reading the news and notes of any newsletter shows just how much the Grandview experience has spread across the world. We also make our presence known at the annual Memorial Day Parade, Alumni Homecoming Football Game and other community projects.

We believe that offering college scholarships to graduating seniors is another vital role we play at Grandview. Not only does it honor outstanding student efforts, it enables the continuation of academic careers begun at GHHS.

Our support in the Grandview Heights Schools goes to all grade levels from Kindergarten to 12th Grade. We try to fill the gap that sometimes exists in other school funding sources. We have supported extra curricular activities like class trips, spring musicals, band uniforms, robotics program, and much more.

We established the Distinguished Alumni Program to honor those from our ranks who have made noted contributions to the world around us. It is a way of honoring ourselves as well. We like to think that regardless of the nature of each individual's endeavor, that person began at Grandview where we've all played a part.

Again, welcome to the Web Site. Please help us improve the high standards of quality education that everyone has come to expect from the Grandview School System, and continue to enjoy the friendship founded at Grandview.

Grandview alumni and friends journey to the dalai lamas palace in Tibet

Visiting the Potala Palace, home to the dalai lamas in Lhasa, Tibet, China, are, from left: Chuck and Jane Walker of

Johnstown, Jolene and Jim Plunkett of Columbus, and Jeff and Nancy Settles of Upper Arlington.

To help reach the top of the palace at 12,900 feet, where the air is thinner, they suggest, walk slowly.

Reunion News

#50 for Class of 1959: The date has been set for our 50th reunion. It will be the weekend of June 26, 27 and 28, 2009. We have a web site under construction that needs information from every class member still alive and kicking.

You should have received a mailing soliciting personal information for the "class web-book" as well as asking for suggestions so everyone should have some idea of what they want to do and what they want to avoid.

Please help by sending in your suggestions as quickly as possible. If you have moved or changed e-mail address in the

last five years, please notify Jeff Forster, 614-764-1064, or Gunner Riley, 614-443-2737 if you haven't already done so.

Planning a Reunion?

Let your Alumni Association help. We can provide class lists, mailing labels, and publicity in our newsletter. Contact Stan Jones, Reunion Liaison, e-mail:
